Team Members: Mike Gradle, Ricky Smith, Gabe Owen, Kristen Hawken, Jonah Besselievre, Rose Druce-Hoffman

Report Period: Oct 23 -> Nov 5

Summary of Progress in this Period

In this period, we made our testing document as well as the powerpoint lightning talk to go along with it. We talked to ETG about getting a server setup for us to use while we are developing our app next semester. Also, we had another meeting with our client.

Pending Issues

Currently, we cannot think of any issues we are facing.

Plans for Upcoming Reporting Period

For the next reporting period, we would like to get more info from ETG about getting the server started. Ideally, we would like it up and running before winter break.
